The Old, The Mad and the Wobbly Willy and the Wobbly House Learning and the Infant Mind William Wobbly and the Very Bad Day Law and the Precarious Home The Soul of the Wobblies Poetry and the Public Americanizing the West The Seamen's Journal The gold coast and the slum The American Labor Movement the American Labor Movement Charlie Bone and the Castle of Mirrors Story Behind the Protest Song Theatre Record Making Paper Jewish Currents Wildmen, Wobblies & Whistle Punks Between the Lines The Lumber Manufacturer and Dealer *Heather Cook Margot Sunderland Amanda Woodward Sarah Naish Helen Carr Donald E. Winters John Joseph Harrington Frank Van Nuys Harvey Warren Zorbaugh Leon F. Litwack Leon Litwack Jenny Nimmo Hardeep Phull Stewart H. Holbrook Dan Wakefield*

a kitten is a kitten but each mature cat is unique shaped by experience good and bad cats are survivors whether they have wrestled with the dark forces of nature or nothing more demanding than securing the most comfortable billet on the sofa older cats are not afraid to be themselves not that there s ever any real danger of cats worrying what anybody thinks mature cats have had years to grow into their ears and even if their ears don t hear too well those cats still have plenty to say author heather cook spent 30 years as the homing officer for woking branch of cats protection and this has afforded her an endless supply of cats that could variously be described as past their sell by date off the wall or damaged this book documents the special felines who have taken up residence at her home tresta towers some of these have presented me with significant challenges but there is no such thing as a bad cat i believe that animals react to outside stimuli favourable or unfavourable in order to survive says heather madness happens in cats as in people it can take the form of harmless eccentricity dementia or out and out psychosis in cats it can be a rather attractive quality only necessitating the wearing of protective clothing in extreme cases think of kittens racing round a room at head height their tails like loo brushes and their ears like helicopter blades they start off bonkers and it can only get worse some cats are born wobbly some achieve wobbliness and some have wobbliness thrust

upon them by illness or accident if you love cats you will love this book the cats featured are very special and have overcome any number of problems to survive this is not a dreary book however as cats are by nature humorous creatures and there are many amusing incidents along the way all the stories are true and all the cats are very real indeed

this is a story for children who are anxious or obsessional willy is an anxious boy who experiences the world as a very unsafe wobbly place where anything awful might happen at any time joe the boy next door is too ordered and tidy to be able to ever really enjoy life follow their adventures with the puddle people who help them break out of their fixed patterns and find far richer ways of living in the world

when asking how cognition comes to takes its mature form learning seems to be an obvious factor to consider however until quite recently there has been very little contact between investigations of how infants learn and what infants know the chapters in this book document for the first time the insights that emerge when researchers who come from diverse domains and use different approaches make a genuine attempt to bridge this divide

william wobbly is having a very bad day he didn't want to go to school and when he got there things just got worse the wobbly feeling got bigger and bigger and bigger until something happened to william wobbly when he was very little which makes it hard for him to understand or control his feelings luckily his new mum is here to help with his wobbly feelings written by a mum who understands and her daughter who used to have a lot of wobbly feelings this is a story for children functioning at age 3 10 who struggle with sensory overload

this book explores the emergent and internationally widespread phenomenon of precariousness specifically in relation to the home it maps the complex reality of the insecure home by examining the many ways in which precariousness is manifested in legal and social change across a number of otherwise very different jurisdictions by applying innovative work done by socio legal scholars in other fields such as labour law and welfare law to the home law and the precarious home offers a broader theoretical understanding of contemporary precarisation of law and society it will enable reflections upon differential experience of home dependent upon class race and gender from a range of local national and cross national perspectives finally it will explore the pluralisation of ideas of home in subjective experience social reality and legal form the answers offered in this book reflect the expertise and standing of the assembled authors who are international leaders in their field with decades of first hand practical and intellectual engagement with the area

this important work offers a new view of the wobblies by examining not only their connection to american culture but their relationship to early twentieth century american religion winters firmly believes that there is a strong religious character in the wobblies he focuses on figures such as eugene debs and father hagerty depicting them as early pioneers of the unique beliefs the i w w would adopt he demonstrates and analyzes this religious motif in newspaper articles speeches autobiographies

songs propaganda and poems next he examines the implications of the 1916 wobbly led strike on minnesota s mesabi range for the immigrant finnish population and its religious values he concludes by assessing the place of the i w w in american labor history and by scrutinizing the relationship between the wobblies progressives and utopian novelists in the period prior to world war i

the arrival of immigrants on america s shores has always posed a singular problem once they are here how are these diverse peoples to be transformed into americans the americanization movement of the 1910s and 1920s addressed this challenge by seeking to train immigrants for citizenship representing a key element of the progressives search for order in a modernizing america frank van nuys examines for the first time how this movement in an effort to help integrate an unruly west into the emerging national system was forced to reconcile the myth of rugged individualism with the demands of a planned society in an era convulsed by world war and socialist revolution the americanization movement was especially concerned about the susceptibility of immigrants to un american propaganda and union agitation as van nuys convincingly demonstrates this applied as much to immigrants in the urbanizing and industrializing west as it did to those occupying the ethnic enclaves of cities in the east in americanizing the west he tells how hundreds of bureaucrats educators employers and reformers participated in this movement by developing adult immigrant education programs and how these attempts contributed more toward bureaucratizing the west than it did to turning immigrants into productive citizens he deftly ties this history to broader national developments and shows how westerners brought distinctive approaches to americanization to accommodate and preserve their own sense of history and identity van nuys shows that although racism and social control agendas permeated americanization efforts in the west americanizers sustained their faith in education as a powerful force in transforming immigrants into productive citizens he also shows how some westerners especially in california believed they faced a racial frontier unlike other parts of the country in light of the influx of hispanics and asians so that westerners became major players in the crafting of not only american identity but also immigration policies the mystique of the white pioneer past still maintains a powerful hold on ideas of american identity and we still deal with many of these issues through laws and propositions targeting immigrants and alien workers americanizing the west makes a clear case for regional distinctiveness in this citizenship program and puts current headlines in perspective by showing how it helped make the west what it is today

leon litwack uses the give and take of congressional hearings editorials and periodicals to retrace the turbulent course of the american labor movement the testimony of workers and employers recreates the conditions which provoked millions to organize in unions the aims and principles of the major labor organizations as well as the arguments and tactics of industry are narrated by the personalities who shaped the current relationships of labor and management publisher

charlie and his friends are back danger and the balance of power between the children of the red king has never been more dangerous billy finally gets his longed for parents but he soon wishes he hadn t

when the oaths he's forced to sign come flying through the air at him charlie is haunted by a ghostly horse mad with rage over an ancient wrong that happened in the sparkling castle of mirrors the castle was petrified from stone into glass by the sorcerer yorath in a terrible fire charlie's good friend olivia is haunted too but no one knows her new secret even with the power of tancred's storms and lysander's ancestors charlie bone is running short of allies just when he needs them most

features the most influential musical protests and statements recorded to date providing pop culture viewpoints on some of the most tumultuous times in modern history includes songs about the vietnam war the civil rights movement policy in the middle east teenage rebellion animal rights and criticisms of mass media

stewart holbrook high school dropout logger journalist storyteller and historian was one of the best loved figures in the pacific northwest during the two decades preceding his death in 1964 this anthology collects two dozen of his best pieces about his adopted home the pacific northwest holbrook believed in lowbrow or non stuffed shirt history holbrook's lowbrow northwest ranges from british columbia logging camps to oregon ranches and is peopled with fascinating characters like liverpool liz of the old portland waterfront the over sexed prophet joshua ii of the church of the brides of christ in corvallis and arthur booze the last wobbly paper boy here are stories of forgotten scandals and crimes forest fires floods and other catastrophes stories of workers underdogs scoundrels dreamers and fanatics stories that bring the past to life
